FACTORY LINKS

OEM & OES Partnerships

SHERCO

Founded in 1998 based France, Sherco is a now renown enduro and trail motorcycles manufacturer. Sherco is associated with high-performances, innovative motorcycles and engineered to overcome the most extreme conditions of the toughest tracks. Since 2019, Factory Links seals, bearings, bushings, spacers, washers and other technical parts are used on the assembly chain for all enduro bikes. Factory-Links is also present on OE aftermarket segment with complete service kits.

250 SEF FACTORY

CF FORCE 625

CFMOTO is a well known ATV's & motorcycles manufacturer, they often come #1 in ATV sales in several countries. Since 2022, they compete in Moto3 world championship and just added a second team in Moto2. Although, they mostly focus on the affordable vehicles, curb appeal has gone drastically up throughout the their ranges.

In 2023, Factory-Links started to provide official alternative parts for their aftermarket network. You can now find FL bearing on CFmoto diagrams

Founded in 1970's HAAN WHEELS has become a leading manufacturer and assembler of custom and racing wheel sets. Trusted by Excel Rims, they are in charge of importing their high quality rims within the EU. Best in class, Haan wheels are used and abused by the best riders in the world. HW has won more than 35 world championships and countless European and national championships.

Factory-Links and HW combine and share their knowhow to achieve higher quality. HW wheels are equipped with FL dust seals.

RACE ORGANIZATION SUPPORT

MXGP, the world motocross championship, bringing together the world's best riders.

In 2003, Factory Links has decided to sign a 3 year contract (2023 to 2025) with In Front, the promotor.

This partnership brings an invaluable TV exposure to Factory Links along a dedicated annual area in the paddock, and various VIP accesses. The allow FL to invite guests for each race all over the world.

Racing & Off-roading being in Factory Links's DNA this partnership was a no brainer.

ENDURO TEAM & RIDER SUPPORT

OX Moto Team is an enduro team partner with Beta Motorcycles (Italy). They are involved in several races, the team represents Beta brand with passion and determination aiming to achieve outstanding results on national and international tracks.

All OX moto race bikes are equipped by Factory-Links rebuild kits and powered by Bihr.

MX Actu, an enduro rider Lucas.

Since 2023, Lucas has been riding with Factory Links rebuild kits in the french sand championship. Lucas is also an ambassador for the brand as a freelance photographer and Youtuber. He attends most national & European races .

MX & SX TEAM & RIDER SUPPORTS

The Bud Racing Team, has been under contract to Kawasaki Europe since its creation (2007). Located in France, it engaged in the French and European championships (Motocross) and the World Championship (Supercross). It's the leading off-road motorcycle team in France.

Under contract with FACTORY LINKS for almost 2 years, all FACTORY LINKS products for our KAWASAKI KX have been tested and validated by our technical team, who have no intention of changing as the FACTORY LINKS range meets all our expectations (finish, weight, longevity, efficiency).

Team GSM is a solid MX/SX race team with experienced team manager & riders. Founded by Serge Guidetty in 2008, the organisation evolved from coaching kids/juniors to racing in french Elite championship and SX Tour and more recently in the WSX (World Supercross)

All their bikes are equipped with Factory Links rebuild kits.

Fantic Factory MX Team races the national, European and world championships. This is major step for them as they need to race-proof and showcase their best selling 125 2stroke

Since 2024 and powered by RMS, the Italian Factory Links' distributor, all bikes are equipped by FL products.

Best of luck to them!!

WRT MX team takes part of the MX & SX french championship.

Killian Poll the rider and the team manager (his father) and all their supports.

It began in 2024 and powered by Parts Europe, (EU Factory Links distributor), Killian's SXF is equipped with our products. Great success for this small team. Factory Links is proudly partnering with them.

SUPERMOTO PARTNERSHIP

SGR Honda Team is based in Spain with more than 20 years of legacy in the world of Supermoto. Their primary goal for 2024 is to be crowned World S1GP Champion. They also aim to maintain lead in the French Championship and some races in Spain.

List of riders: Thomas Chareyre (8 x World Champion), Ferran Cardús, Alejandro Rodríguez, Max Serra (Spain), Germain Vincenot, Tom Bessieres, Sylvain Bidart and Axel Puech (French riders), Marcelo Silverio (Brazilian rider) and Juan Martín Viganoni (Argentina).

They won countless races in Spain, France, USA, Colombia and Italy.

SGR is definitely one of the best Supermoto team in the world.

We reach an agreement in 2023 with the team manager Angel Grau to equip all the bikes with FL products.

TEAM / TIM SZALAI

Team Szalai is also Supermoto team, they race in the french and world championship.

Tim Szalai is the rider and Eric is the team manager (his father). Tim was for the first time junior world champion last year in 2023 in the famous "Nations" race.

Factory links' partnership started in 2024 with a full parts and financial support. It greatly helps this private team to improve the parts on the motorbike, a TM 450cc.

Outstanding results for Tim's team. Factory Links is proudly patterning with them.

OUR DNA IS AND WILL ALWAYS REMAIN ASSOCIATED TO RACING, THE ADVENTURE GOES ON.....
